Press Conference and Ribbon Cutting to Celebrate Grand Opening of J.W. Didado's New York Operations Headquartered in Clay

WHAT: J.W. Didado to host a press conference and ribbon cutting to celebrate the grand opening of its New York operations headquartered in Clay, N.Y. The facility, spanning 24,000 square feet across a 12-acre site, will house a team of 18 full-time employees and serve as the central hub for the company's New York operations. The new location will also function as a base and dispatch center for the company's storm team, showcasing the company's dedication to rapid and effective response during critical times.

The new facility, which broke ground in October 2022 was influenced by Briarwood Construction based in Akron, OH, and was designed and built by VIP Structures.

SPEAKERS: J. Ryan McMahon II, Onondaga County Executive
Meg Tidd, CEO, VIP Structures
Gary Didado, Owner, Briarwood Construction
Dan Sublett, President, J.W. Didado
Mark Lawrence, Business Manager, Union 1249
David Capria, Ambassador, Centerstate CEO

WHEN: **Thursday, September 21, 2023**
10 a.m.

WHERE: **J.W. Didado New Headquarters**
7822 Morgan Road, Liverpool, NY

ABOUT: **About J.W. Didado**
